Upon receipt of this email, I searched my email and found the HTN Invoices since September. September through November were not "approved for payment - CR." December and January were "approved - CR."

I now have all of the HTN Invoices through February ready to pay and will do so as soon as our City funding arrives, which should be this week.

Hi Don, Miki,

Per below, Stephanie with Hometown News is checking in regarding her monthly check. Have we paid her? I've sent in monthly invoices. We started in September and have run an ad each month costing \$350/month. All up, from September to February, it's 6 months times \$350 for a total of \$2100 which as invoiced would have been paid out \$350/month since September.

Thanks for helping to clarify. If we haven't paid out, I can resend the invoices in one email to get her paid,

Best,

Cynthia

Hi Cynthia,

Please find attached the invoice for February. Also, I was just going through my records and the invoices from September on have not been paid. Please advise.

Best,

Stephanie
